Programs to Support WAHS

You must re-designate the school every year for most stores!!

Re-link your card to WAHS only once each year in the fall, but do it every year. When you use your card, WAHS will benefit from your purchases at no cost to you. All stores have a customer service station that will help you re-link your card. Below are other ways to designate WAHS as your school. We purchase printers, calculators, and other technology items from these programs.

Giant A+ Bonus Bucks Card (school code is 02592)

- Re-link online at www.giantfood.com/aplus.

Harris Teeter VIC Card (school code is 5504)

- Re-link online: <http://www.harristeeter.com> and click on the "Community" tab.
- Give the school code number to the cashier to re-link at check out.

Kroger Plus Card (Use the bar code)

Have the cashier scan the bar code when you check out, then give the bar code to another person to use to link their card to WAHS. School ID: 90424

Kroger bar code for WAHS:
(barcode # 1 00000 80424 7)

WESTERN ALBEMARLE HIGH SCHOOL

Martin's Bonuscard (School Code: 01946)

- Re-link online at www.martinsfoods.com/aplus

Office Depot (school code 70103528)

- Use the school code at check out each time you make a purchase.

Target (You don't need to re-designate every year – do it once and it's done!)

- Designate WAHS when you get your Target card at customer service.

OneCause.com is the new name for Schoolpop.com

It is a website where you can link credit cards to WAHS to do online shopping from the links on the site to benefit WAHS. It's safe and secure.

With the budget situation, every little bit helps – and we need more parents to participate.

Thank you for your support!
